

Come racing with us at the HEINEKEN REGATTA

Lady Ann has attended this year's Grenada Sailing festival, a great experience. She is ready to participate at some more serious and fun regatta's, with the St. Maarten Heineken Regatta, starting by the first of March, as the first in line.

Lady Ann is a beautiful, elegant yet fast 'modern classic' 65ft sailing yacht, that offers you racing in style: a classic looking yacht, but with all modern-day creature comforts, and great sailing performance due to a modern underwater design and high-performance rig. With a genaker and spinnaker, we are well equipped for all the Caribbean racing weather.

She is run by very experienced couple Boogie and Marlies as skippers, who are regulars on the Caribbean regatta circuit and will help you to get the most out of your racing in the sun! They are known for their fun, relaxed and safe way of running their boats, yet remain very competitive.

Lady Ann is available for charter for the Heineken Regatta, starting on the 1st of March till the 4th. We offer her either on a full boat charter for a group of friends or for a company charter. Alternatively she is available for charter by up to 14 guests, based on individual bookings. We offer a package with 6 guests staying on board overnight with the remainder of the group sleeping ashore. They would join us every day to come racing.

Four days of world class racing and four
nights of fun-filled Heineken parties

About the HEINEKEN REGATTA

The regatta began in 1980 with a modest 12 entries and has steadily climbed to over 200 boats. The event is a unique blend of international sailing, with boats from as far away as Russia and Brazil, and musical talent the likes of the Black Eyed Peas, the Marley Brothers, Maxi Priest and Wyclef Jean to name a few. Each day brings new finish locations, new and unique party atmospheres and bands from around the world.

The 2012 St. Maarten Heineken Regatta will kick off on March 1st with the pre event Gill Commodore's Cup and will end on Kim Sha Beach Sunday March 4th. Four days of world class racing and four nights of fun-filled Heineken parties will take place and offers something for everyone. Participants and guests enjoy great food, ice cold beers and international music performers each night. With the official slogan being "Serious Fun" it is no wonder people come from over 25 countries to attend this one of a kind regatta.

The St. Maarten Heineken Regatta had 184 entries in 2011 and looks forward to hosting just as many participating boats in March of 2012. It is known as one of the "must do" events in the Caribbean whether you attend for the sailing or the concerts, you won't want to miss it.
